Appalachia's Children: The Challenge of Mental Health Paperback – November 4, 2009 by David H. Loeff (Author)

**Appalachia's Children: The Challenge of Mental Health ...**  
Loeff therefore examines the milieu of these Southern Appalachian children, their future as adults, and how they can achieve their potential — whether in their native or an urban setting. In viewing the children within their own cultural framework, Dr. Loeff shows how they develop toward mental health or psychopathology, suggesting supportive techniques that build upon the strengths inherent in each child.
