The book on the whole is an extremely practical guide to argumentation and also in helping to organize thoughts (critical decision making). If followed it can translate, in particular, into better organized and concisely written communications such as speeches, briefs, etc. It is a valuable read. The book however is also an argument in itself.

Amazon.com: Customer reviews: Argumentation and Critical ...

No single theory of argumentation exists. Instead, a constellation of features and concepts drawn from philosophy, rhetoric, and social theories infuses different concepts and explanations of argumentation. Since ancient times, an emphasis on rationality and reasonable communication distinguished argumentation from other kinds of communication.
