### Bentley Continental Flying Spur Workshop

Bentley Continental Flying Spur Bentleys have used the Continental Flying Spur name on two quite different classes of four-door automobiles since 1957. The first is a four-door saloon body made to special order by coachbuilders H. J. Mulliner & Co. (later Mulliner Park Ward) on a Bentley Continental chassis.

### PARTS & WORKSHOP MANUAL CD (CGT/GTC & Flying Spur models ...

The Continental Flying Spur Speed was inspired by our legendary Speed models that first appeared in 1923. Its lower stance and subtle design changes gave it a darker, more competitive feel, while a host of new low friction engine components meant the Continental Flying Spur Speed utilised an improved engine management system to raise its torque output by 15 per cent and its power by 9 per cent.
