FIELD GUIDE - ethicaexplorer.org

A field guide is a book designed to help the reader identify wildlife or other objects of natural occurrence. It is generally designed to be brought into the 'field' or local area where such objects exist to help distinguish between similar objects. Field guides are often designed to help users distinguish animals and plants that may be similar in appearance but are not necessarily closely related. It will typically include a description of the objects covered, together with paintings or photogr
