Home Page | Injustice

His latest book "Injustice: Why Social Inequality Still Persists" is a revised edition of his earlier book from 2005 (and with the word "Still" added to its title). The book presents a great number of facts and figures chronicling the massive rise in inequalities in the affluent countries of the world over the last 50 years following the liberalisation of global market economies from the late 1970s onwards.

Injustice: Why Social Inequality Still Persists Revised ...

Few would dispute that we live in an unequal and unjust world, but what causes this inequality to persist? Leading social commentator and academic Danny Dorling claims in this timely book that, as the five social evils identified by Beveridge are gradually being eradicated, they are being replaced by five new tenets of injustice, viz:elitism is efficient; exclusion is necessary;prejudice is natural; greed is good; and despair is inevitable.In an informal yet authoritative style, Dorling ...

Injustice: Why Social Inequality Persists: Dorling, Danny ...

In the new paperback edition of this timely book, Danny Dorling, a leading social commentator and academic, claims that in rich countries inequality is no longer caused by not having enough resources to share, but by unrecognised and unacknowledged beliefs which actua

Injustice: Why Social Inequality Persists by Danny Dorling

inequalities and shows why it is not inevitable. Inequality and injustice can be seen as the result of the five social evils - elitism, exclusion, prejudice, greed and despair. Underlying each social evil are myths which strengthen the harm done. Importantly these are views that most of us hold in small measure, and we often think they are harmless.

Why social inequality still persists: a short introduction ...

The revised edition of Danny Dorling's book Injustice: Why Social Inequality Still Persists provides an analysis of contemporary issues and practices underpinning inequality and a concise interpretation of the main causes of the persistence of injustice in rich countries, together with possible solutions.

Book Review: Injustice: Why Social Inequality Still ...

Hot on the heels of Richard Wilkinson and Kate Pickett's The Spirit Level: Why More Equal Societies Almost Always Do Better - a brilliant multi-disciplinary indictment of the dire consequences of inequality for us all - comes another new publication taking a similarly eclectic approach to the study of inequality. In Injustice: Why Social Inequality Persists, Daniel Dorling agrees that inequality is bad for both rich and poor.

Injustice: Why Social Inequality Persists, by Daniel ...

Social inequality within rich countries persists because of a continued belief in the tenets of injustice. Something is deeply wrong with much of the ideological fabric of the society we live in.

Danny Dorling is Halford Mackinder professor of human geography at Oxford University. He is the author of All That Is Solid, Injustice: Why Social Inequality Still Persists and A Better Politics

Danny Dorling | The Guardian

"For injustice to flourish, inequality must appear as natural, normal, innate, and inevitable. Danny Dorling, in this impassioned, empirical, and hopeful book, skewers ideologies that justify injustice -- and reminds us that a necessary step towards creating a better world is collectively imagining it is possible."
