### (PDF) Rethinking Bank Regulation: Till Angels Govern

In Rethinking Bank Regulation, James Barth, Gerard Caprio and Ross Levine take a serious, formal and important look at competing views of banking regulation. They place my anxiety about emphasizing bank regulation in the context of theories where rulers and their cronies have a "grabbing hand"—that is, where political leaders look more to their personal interests than to the public's.

## **Rethinking Bank Regulation: Till Angels Govern. By JAMES R ...**

Rethinking Bank Regulation is the best work available on assessing the actual impact of regulatory policies on banks. Its major conclusion, based on data from 150 countries, is striking-that developing countries need to place far more emphasis on policies that promote market discipline, like disclosure requirements, than on command and control regulations that often translate into ...
