Tangram Outline Solutions | ClipArt ETC

The origin of the word 'tangram' is unclear. One conjecture holds that it is a compound of the Greek element '-gram' derived from γράμμα ('written character, letter, that which is drawn') with the 'tan-' element being variously conjectured to be Chinese t'an 'to extend' or Cantonese t'ang 'Chinese'.

Tangram - Wikipedia

The tangram is based on the dissection of a square into seven pieces. Can you make other squares using some, not all, of the pieces? Can you make five different squares? What is the smallest square you can make?
