Princess and dragon is a archetypical premise common to many legends, fairy tales, and chivalric romances. Northrop Frye identified it as a central form of the quest romance.. The story involves an upper-class woman, generally a princess or similar high-ranking nobility, saved from a dragon, either a literal dragon or a similar danger, by the virtuous hero (see Damsel in distress).

Princess and dragon - Wikipedia

The villains in Dragon Ball reach progressively powerful heights and it's become quite common for them to possess superior regeneration abilities so that the bulk of the heroes' attacks fall short. Characters like Vegeta learn this the hard way against Super Buu when drastic measures like his Final Sacrifice are
