The German school of fencing (Deutsche Schule; Kunst des Fechtens) is a system of combat taught in the Holy Roman Empire during the Late Medieval, Renaissance, and Early Modern periods, as described in the contemporary Fechtbücher ("fencing books") written at the time. The geographical center of this tradition was in what is now Southern Germany (Augsburg, Frankfurt, and Nuremberg).

Italian Renaissance painting is the painting of the period beginning in the late 13th century and flourishing from the early 15th to late 16th centuries, occurring in the Italian Peninsula, which was at that time divided into many political states, some independent but others controlled by external powers. The painters of Renaissance Italy, although often attached to particular courts and with ...

" Renaissance Vox is a useful tool for my vocals. I want tools that are simple and easy to use: I want to be fast with adjustments so I can focus on my mix. With Renaissance Vox, I can control my vocals easily and have them on the spot with just a few knobs. And like all Waves Renaissance compressors, it's very smooth: even with hard compression, you don't hear the comp.
