The Doctor Is Sick Anthony

A Nigerian doctor spotted this kind of monkeypox in 2017. He hopes people will finally start funding research on this virus. In Nigeria, where Dr. Dimie Ogoina has been studying monkeypox outbreaks linked to sexual contact since 2017, he says he's struggled with similar issues of confusion and stigma, which both make it harder to get a sense of the true scope of any outbreak. Often, he ...

Why did Anthony Bourdain commit suicide? | Toronto Sun

The story of St. Anthony's bread is said to have began in 1263, when a beloved child drowned near the basilica of St. Anthony. The child's mother prayed for St. Anthony's intercession and promised that if the child was restored to her, she would give the child's weight in grain to the poor in order that they could make bread – a very great gift in a time of widespread poverty and hunger.

The Life of St. Anthony of Padua
