Here are seven thoughts that every man has when he meets the right woman. 1. "Whatever she needs, I will do it." There is a quote I really like by Robert A. Heinlein which says, "Love is that condition in which the happiness of another person is essential to your own." Happiness, in the case of real-life relationships, is defined in many ways depending on the person or the couple, but what ...

7 Thoughts Every Man Has When He Meets The Right Woman

Let's look at the flipside of the coin now: Not every interaction with coworkers of the opposite sex is romantically charged. In fact, male coworkers can become anxious about asking a female coworker out to lunch or happy hour because he's afraid it will be considered a date. The best way to avoid this trap is with open, honest communication. Set boundaries early, don't text late at night ...

Then it was back home, splitting logs every 4 hours to stoke the three stoves in his home, one downstairs and two up. Thunk. With each stroke his body, fueled by goulash and grain, helped free the sun's energy, transiently captured in the logs. Thunk. It was repetitive and tough work. Thunk. It was clear to Smil that this was hardly an efficient way to live.
