### Whos In Charge Free Will

For an excellent philosophical discussion of free will that follows up very closely on Who's in Charge, see Freedom Regained by Julian Baggini. Baggini even quotes Who's in Charge in his own book. To understand both the science and philosophy of free will, I highly recommend Who's in Charge followed by Freedom Regained.

### Free Will Debate: Who's in Charge? by Michael Gazzaniga ...

In this new light, the mind is not a determined entity, but is instead a free agent that is responsible for its actions, and hence capable of being legitimately held accountable for them. This is the argument that Gazzaniga makes in his new book 'Who's in Charge? Free Will and the Science of the Brain'.
