American flag? There are 13 stripes of the U.S. flag because they symbolize the 13 original colonies that revolted against British rule. Later on, these places went on to become the Union's first states. They are represented by alternating white and red horizontal stripes, together with other important symbols, colors and shapes.

Arrangements of the stars. The 1973 book *The Stars and the Stripes* by Mastai illustrates many of the variations in star patterns of U.S. flags that were made during the 19th century (circles, rows, great stars, etc). There was no law specifying the arrangement of stars until 1912. Nick Artimovich, 19 March 1996 . As others have said, the pattern of stars
