Why We Argue | Humility & Conviction in Public Life

When we argue, we argue about a shared problem. In academic argument, all of us are—or should be—more interested in finding the strongest solutions to a problem than in merely advocating for our own predetermined and unyielding position. In these settings, your arguments will work best when they collaborate with readers rather than attack them.

Why Do We Argue? | Grounds for Argument

It is one of the most naturally explicit form of human interaction that shows us how diverse we are. Common knowledge indicates that people argue because of their difference in opinions or thoughts. A messy argument ensues when one party views the other’s opinions as impertinent.

Why do we argue? - Quora

The bottom line is that when we argue with someone else, it is about what’s going on inside of us. When we realize that, then argument can be an enormously constructive part of life and love. As such, learning how to argue constructively is a must if you want to be in any long-term relationship—romantic, familial, or platonic.

Why We Argue | HighExistence

Why We Fight is a series of seven documentary films commissioned by the United States government during World War II to explain to U.S. soldiers their country's involvement in the war. Later on, they were also shown to the U.S. public to persuade them to support U.S. involvement in the war. Most of the films were directed by Frank Capra, who was daunted, yet impressed and challenged, by Leni ...
