People create things out of their innate behavior to learn and explore. As we grow, education tells us not be wrong whereas creating things is all about being prepared to be wrong that's why we see creativity as a quality and not as something natural to everyone.

**Why do people create things? - Quora**  
Why do you make art? That's the simple question Greater Good posed to seven artists. Their answers are surprising, and very diverse. They mention making art for fun and adventure; building bridges between themselves and the rest of humanity; reuniting and recording fragments of thought, feeling, and memory; and saying things that they can't express in any other way.
