William Klein vs. New York. William Klein was raised in Depression-era America. He was born into a poor family in New York City in 1928. Eager to escape his surroundings he excelled in his studies, graduating high school early and entering college at only 14 years of age. At age 17 he enrolled in the US Army and was sent to Germany to serve.

When William Klein Turned to Abstraction in Photography ...

William Klein is one of my favorite street photographers of all time. I think one of the things that I love most about him is his “I don't give a fuck” attitude about the way he approached street photography how he did things his own way. He rebelled against many of the contemporary styles of photography [...]

Written and researched by Carlo Traina WILLIAM KLEIN (New York , 19.04.1928) “Become an active participant of the scene. Interact with the people, hear their conversations, and as a rule of thumb be close enough to see the colors of their eyes.” Take all the rules about photography that you know (technique, composition, etc.), twist them ...

Masters of street photography - WILLIAM KLEIN Maestri ...

- William Klein His photographs; often blurred or out of focus, his use of high-contrast prints, high-grain film and wide angles, shocked the established order of the photography world. Uncompromising in his vision and technique, it was this raw approach that served Klein well to capture his subjects with an honesty that truly echoed the diversity of moods, people and situations so present in ...
