Hello wildbow I've been reading worm for over a month now. On the tram to work; during my lunchbreak; on the tram back home and 1 more chapter on the couch before I do anything else. It's been a great ride already to follow the progression of the story (I am now at chapter 23.4 so still have a ways to go).

The Glow-worm chapters were a teaser event leading up to Worm 2. They aren't required reading but offer flavor and additional angles by which to view certain characters. They take the form of forum posts, chat conversations and emails. They're best described as a kind of a post-epilogue, pseudo-prologue bridge between the series.
